Dear Ray,

This is like doing Genealogy -- something that always seems to wait until last. Sorry it has taken so long. Among our pictures we don't have one that would serve the purpose of a family picture or even one of the two of us, but will try to at least get the two of us together long enough to take one.

Glenn: Born August 9, 1917 at Salem, Utah. Parents, George A. and Mary Hanks Wyler. Father was school teacher and principal. Two brothers younger than myself, George A. Jr. and Wayne E. One sister, Elaine Wyler Hone. My home was in Payson where I attended elementary schools and graduated from Payson High School in 1934. Received my B.A. from the University of Utah in 1939 and a 2 year medical certificate from there in 1940. At that time the University of Utah offered only two years of medical education so it was necessary to transfer. I received my M.D. from the University of Louisville, Louisville, Kentucky in 1943. Internship was at Tacoma General Hospital, Tacoma, Washington and after one year was continued in the U.S. Army after induction on January 4, 1946. During World War II served two and one half years as Transport Surgeon aboard troop transport ship S.S. Marine Robin.

In 1946 took over the practice of Dr. Lurrine Miles Allen in Roosevelt, Utah where I stayed until 1950 when I went into a surgical residency at St. Marks Hospital, Salt Lake City. In 1951 was re-activated in the U.S. Army and assigned in Europe, successively to the Dep't. of Surgery, U.S. Army Field Hospital, Augsburg, Germany; Commanding Officer 34th. Station Hospital, Fontainbleau, France and then six months in Obstetrics at Camp Stoneman, California. Released in 1953 I settled in Fairfield, California where I was in a group General Practice from Jan. 1954 to March 1972. In Heber City April 1972 to April 1973, I practiced in the office of Dr. Jack Boggess and Ross Jensen. In 1973 came to St. George, established an office and have been here in General Practice since.

Married Leola Jensen of Gunnison, Utah in 1938. Divorced, 1954. We had two children; Douglas L., now a dentist in Diamond Bar, California, married and has 4 children, and Rhonda Lee Snarr, Kaysville, Utah, graduate of the University of Utah in Speech and Hearing Conservation, now a housewife with 2 children. Husband is a School Teacher.

Married Margaret Colton Gould in 1956. Grew up in the Uintah Basin.

She is an R.N. and graduate of the University of Utah. In addition to hospital nursing she has done Public Health Nursing and worked in Calif. Schools as Nurse, Teacher and Counselor. She has two children by her previous marriage; Stephen V. Gould, Journalist, Chicago, Ill. 2 children, and Kathryn S. Young, Nurse Anesthetist, Charlotte General Hospital, Charlotte, North Carolina. She also has two children. Since leaving California Margaret has assisted me in keeping the office going.

Together we have 10 Grandchildren and enjoy occasional visits with them all. Being members of the L.D.S. Church it is obvious where most of our time outside working hours is spent. We do enjoy a little golf, occasional tennis, and would like to enjoy more. I paint a little, write a little and do quite a bit of carpentry around the house. Margaret likes to sew and garden and we both get a lot of joy from reading history of all kinds. We have dreams about traveling a lot but haven't had the opportunity to do so extensively yet.

Don't know how short you meant by "short history" but feel free to cut anything you feel is redundant or that suits your purpose. If we can get a picture in the next few days that we don't mind other people looking at we'll send it along.

Yes, we are well and working hard. Hope you and your family are the same.

Sincerely,

A handwritten signature in cursive script that reads "Glenn".
